* An examination fee will be added to the spring term fee invoice for grade 12 students.

There is no fee for day students in the Swedish curriculum. However, the school will charge a yearly fee for participation in the Sports- and extracurricular activities programme.

Day students enrolled in the international programme at SSSL

In July 2015, the National Agency for Education granted Sigtunaskolan Humanistiska Läroverket international school status for the International Baccalaureate programme. The International Baccalaureate (IB) is divided into the Middle Year Programme (MYP) and the Diploma Programme (DP).

Please find the fee schedule above for the IB MYP and DP programmes.

GENERAL CONDITIONS

Study agreement

Once a student has been formally accepted by the SSSL Admissions Board, a study agreement is drawn up between the school and the student's parent(s)/guardian to be signed. The agreement is sent out after admission has been granted.

Invoicing

School fees are invoiced twice per academic year. Payment for the autumn term should be received by Sigtunaskolan Humanistiska Läroverket by June 30st and for the spring term by November 30th.

Overdue payments will be subject to penalty interest charges. If a payment is not made, collection procedures will be pursued on behalf of SSSL by the debt collection agency Intrum.

IB examination fee

An examination fee, charged by the International Baccalaureate Organization IBO, will be added to the invoice for the spring term fees for diploma students in grade 12.

Other expenses

Costs for extracurricular activities are paid for in advance by the school and later charged to the parent(s)/guardian. Invoicing will occur once or twice per school year, depending upon the student's participation in such events. Costs for any damage caused to school property, false fire alarms, lost course literature etc. will also be invoiced.

Purchases from the school shop as well as extra expenses incurred on school trips and study visits are paid by credit card, by swish or in cash.

The cost of the school uniform is covered by the parent(s)/guardian.

Graduation package

Graduating students can order a "graduation package" which includes:

- Matriculation cap
- Graduation cap
- Graduation party and ARCU-gala
- Valedictory Ball
- Alumni lifetime membership

The cost of this package is included in the spring term fee invoice for grade 12 students.

Termination

Termination of the study agreement must be submitted in writing, giving 3 months notice. The school may terminate the contract with immediate effect if a student behaves in a manner detrimental to other students, or where the school management deems it necessary to remove the student from the school.
